President's Day 20	French toast & sausage 21	Breakfast pizza 22	Cereal & string cheese 23	Cinnamon roll 24
Yogurt & pop-tart 27	French toast & sausage	Breakfast pizza 29		

NUTRITION TIP: Benefits of Vitamin D

- 7 out of 10 Americans don't meet recommended intakes for vitamin D.³
- Vitamin D is important because it helps your body absorb calcium, but studies have shown that it also has a protective effect against chronic diseases including heart disease, type 1 diabetes, and others.⁴
- Find vitamin D in fortified low-fat yogurt and other dairy foods.
